Une rigueur formelle, un style minimal, le plaisir de l'excès, revival pop : la créativité contemporaine prends des formes diverses et contrastantes. Time est à la fois style hors du temps, élégance, mode, solution à tous les problèmes de décor.

Formale Strenge, „minimal style“, Geschmack an der Übertreibung, „pop revival“ – die zeitgenössische Kreativität drückt sich in unterschiedlichen und gegensätzlichen Formen aus. Time ist ein zeitloser Stil, elegant, immer modisch und für alle Einrichtungslösungen geeignet.

Формальная строгость, минимальность стиля, пристрастие к крайностям, возвращение к истокам: современное творчество приобретает различные противоречивые формы. Коллекция Time – стиль неподдающийся времени, элегантный, всегда модный, пригодный для любых решений.
